

## New "Round-Up" Program

Our new "Round-Up" program makes it easy to contribute to our Good Samaritan Fund by automatically rounding up your utility bill to the next whole dollar. The Good Samaritan Fund assists customers who have experienced a crisis such as a medical emergency, job layoff or job loss. For \$1 or less per month, you can reach out and help your neighbor during difficult times. Just print this participation form, sign and mail to Erwin Utilities at P.O. Box 817, Erwin, TN 37650.

I wish to participate in Erwin Utilities' Round-Up Program and have my monthly utility bill rounded-up to the next dollar. The additional funds will be used to help customers who have experienced difficult financial circumstances.
