

### A SIMPLE HOW TO BUY A KIT GUIDE

STEP 1: Go to any web browser and type:

<https://gosimplelab.com/store/WAYPP>

STEP 2: Scroll through the test kit options.

STEP 3: Click on a kit to see the content details.

STEP 4: Add the kit(s) you want to the shopping cart and check-out—you are all done!

### NEXT STEPS

STEP 5: Simplelab ships the kit to you complete with a sampling form (chain of custody), sampling instructions, bottle(s), box/cooler, ice pack (if needed) and a pre-paid shipping label for you to send the samples directly to the lab.

**NOTE: when reading the sampling instructions, be sure to look for special instructions about when to collect samples, fill levels of the bottles, and specific days of the week to ship them back to ensure the most accurate results.**

STEP 6: Lab will receive the sample, prep, and analyze the sample(s).

STEP 7: Simplelab will report the results directly to you as the buyer and answer any questions you may have.
